PROFESSIONAL EXPERIENCE

Codu | Software Developer [Part-time]

Mar 2021 - Currently | Dublin, Ireland

IT outsourcing company that specialises in software development and consulting services. I've been collaborating part time with some projects at Codu while I'm completing my Degree at the Code Institute. Currently working on a project for an Insurance Company based in Spain.

MongoDB | Technical Sourcer [Full-time]

Jun 2020 - Currently | Dublin, Ireland

The leading modern, general-purpose database platform designed to unleash the power of software and data for developers and the applications they build. Primary duties in my current position are:

- Main programming languages I recruit for C/C++, Java and JavaScript.
- Find, engage, and activate high-quality passive candidates through Boolean, LinkedIn, and alternative search techniques, such as Stack Overflow, Github, HackerNews or Slack.
- Tools: Greenhouse, GEM, Calendly, Google Suite, Slack and Zoom.
- Strong knowledge and experience using CRM and ATS software Bullhorn, LinkedIn recruiter.

Morgan McKinley | Technology Associate Recruitment Consultant & Technology Consultant

Jul 2019 - Jun 2020: Technology Recruitment Consultant | Dublin, Ireland

Jan 2019 - Jul 2019: Technology Associate Consultant | Dublin, Ireland

Morgan McKinley is a global professional services recruitment consultancy working in over ten verticals and offices in the U.K, Australia, China, Canada, France, Singapore, Ireland and Japan.

Jul 2019 - Jun 2020: Technology Recruitment Consultant

- Sourcing candidates through advertising, search and networking in the Python, DevOps, SRE & C++ market.
- Finding creative alternatives ways to find passive candidates sourcing on LinkedIn & Bullhorn.
- Interviewing, selection and assessment for interviews of candidates.

Galgus | HR Trainee, HR Coordinator & HR Office Manager

Jan 2016 - Jun 2018 | Seville, Spain

Galgus is a telecommunications company that develops and markets a Wi-Fi technology currently being used by numerous OEMs and system integrators worldwide to deliver high-performing Wi-Fi networks.
